MONTHLY PROGRAMS AND PROJECTS FOR THE NEXT THREE MONTHS

JULY PROGRAM

A fun, easy and colorful day is planned for those who signed up for the scissor fob project. Phyllis and Pat will be ready with kits and instructions for our second month of a relaxed meeting format. Please bring a piece of felt or bead box to sort beads on.

No formal business meeting, just stitch-in and program. Even if you did not sign up for the fob kit, bring your own stitching and join us for an enjoyable morning of stitchery.

AUGUST PROGRAM

Stitch-by-committee will be the order of the day. Bring a painted canvas or chart. We will break down to small groups, three or four in each, to discuss design, center of interest, perspective, and plan out possible stitch ideas and fibers which would be best to complete the project. (I am bringing a stitch anthology, as I can never remember the stitches without a reference guide.) Then we will regroup to share our findings and ideas.

SEPTEMBER

No Program – Seminar!

We will car pool to Star Pass and the National Seminar Exhibit and Boutique.

UPCOMING EVENTS

Update on “A Desert Tapestry” Tucson Seminar 2006

Only two months to go and Seminar will be here, the participation is over 900 with 220 first timers. This will be our chance to show the rest of ANG what we do here in Tucson, so I hope many of you have taken the time to fill out your paperwork for the Exhibit. Paperwork for the Exhibit needs to be to Sharon Skoczek by July 14, the project itself can be delivered to Sharon or must be at the hotel on Thursday Sept 7. Looking forward to seeing you all at the Seminar, with this abundance of attendees we will be taking over the resort. There will be food lines for breakfast and lunch to accommodate all the attendees. There are still a few classes that have openings, so there is still time to sign up for a class, the registration for this will close on July 25. There are several restaurants on the property to serve our needs at dinner. This Seminar looks to be one of the best because of all the interest and support from our guilds. Thanks for all your help in making this a great Seminar.

As always in stitches and friendship,
Barbara Richardson
Local Coordinator for Tucson 2006 Seminar
