LETTER FROM THE PRESIDENT

Hi

This is my last newsletter and I am looking forward to doing less. I will be happy to continue my classroom work and possibly some other things. I have many happy memories over the years of things we have done and all the new friends I have made. I will continue to be around but happy to have less responsibility.

Rosemary will do very well and she has a great board to help her. As I see it, the most important work this guild has to do is to increase our membership. We need some young blood and in this day and age that is difficult.

I visited the Community Foundation this last week and they are very happy with the results of our show so far. They have sold 9 pieces for over \$400.00 and that is the best they have ever done. They credit the success to our beautiful work and our reasonable prices. **THE TAKE DOWN DATE IS MARCH 25 OR THE MORNING OF THE 28TH. A NEW SHOW GOES UP THE 29TH.**

I wish the new board success and hope they have your support. It is very difficult to find programs that please everyone.

Will see you at meetings and enjoy your stitching.

Phyllis

EDUCATION OPPORTUNITIES

Along with your Needle Pointers magazine, you received the ANG Education Directory for 2010-2012. There is more than one that caught my eye. Since lessons start about 8 weeks after registration, I want to recommend that if any of us want to do one as a group, we should plan on registering so that we can work on the piece over the summer. Please take a good look at the directory, and I will have a signup sheet at meetings. Call me if you have questions. Rosemary Johannesson (399.3056)
